

Call for Expression of Interest (EOI)

Date of publication: 17 April 2026

SOS Children's Villages Nepal, a non-governmental social development organisation, supports children and young people without parental care and families in difficult living conditions through services in care, education, health and emergency relief. We advocate for the rights of children and young people, in alliance with a great diversity of partners. In line with our mission, SOS Children's Villages Nepal has established the SOS Business Incubation Centre (SBIC). This initiative aims to provide young people with a platform to generate business ideas, test them, and cultivate an entrepreneurial mindset. SBIC also offers opportunities for teams to become trained mentors for aspiring young entrepreneurs. The broader goal of SBIC is to empower young people to embark on their entrepreneurial journeys and promote them as economically active citizens of Nepal, thereby contributing to the generation of employment opportunities.

In this regard, SOS Children's Villages Nepal, in collaboration with IEDI, Antarprerana and Briddhi, invites Expressions of Interest (EOI) from qualified mentors, coaches and facilitators to support the SOS Business Incubation Programme (SBIC) in Koteshwor, Kathmandu, aimed at strengthening entrepreneurship opportunities for young people.
